

ADVENTURER CLUB UNIFORM

The uniform makes the organization real and visible. It becomes emblematic and representative of an ideal, a standard. One of the ways to set up a standard and bring the members of an organization up to that standard is through the uniform. It should stimulate loyalty toward that standard by building morale and binding members into closer fellowship. It also appeals to those not already members to join. The uniform becomes a builder of club spirit. All uniform items should be uniform within your club.
